

**Becky Hernandez**

334 Cherokee Drive

Waleska, GA 30183

My name is Becky Hernandez, and I am asking for your support for our POA board.

I am a single mom of three children and a grandmother of two. I was drawn to this community for the safety it offers and its amazing amenities. Just like protecting my family, I am interested in protecting our community and the investment we have all made in choosing a home in Lake Arrowhead.

My experience in Real Estate allows me to understand what keeps and grows a property's worth. During my 16 years as a Real Estate agent, I learned the ins and outs of what people are looking for in a top-notch community. While working in Real Estate I also worked as a Property Management for luxury homes and condos in Marco Island, Florida. I handled all aspects of property management including budgeting and planning.

I am still a person who values individuality and wants each homeowner in our community to feel they have true ownership of their property. I understand each person has their personalized style and I am not interested in micromanaging my neighbors. I am interested in helping our community grow and continue to be a sought-after community here in Cherokee County.

After almost two decades in Real Estate, I wanted to pursue a career that would allow me to work from home and watch my children grow up. I obtained my Property Casualty License and currently enjoy working in the Worker's Compensation Field.

I am asking for your vote. Thank you!
