

## **Bob Weatherford**

151 Hawks Trail

Waleska, GA 30183

I am Bob Weatherford, and I am running for an open seat on our board. Lisa and I built our dream home here on Hawks Trail and moved in December. I would like to lend my extensive experience in planning and zoning as well as an elected official to the board. I have also served as VP of my HOA in Cobb.

I've served as an Elected Official for 16 years, 12 of those as Mayor Pro Tem of Acworth and four as Cobb County Commissioner. I've worked collaboratively with Elected Officials and Staff at all levels and have served on numerous boards and positions at GMA (Georgia Municipal Association), as well as ACCG (Association of County Commissioners of Georgia). I currently serve on Arbitration panels for DCA (Dept. of Community Affairs). I have worked and served with elected officials in Cherokee including the Chairman of the BOC. I was also on the Cobb Board that brought the Braves to Cobb.

I believe my experience in planning and zoning in Cobb would be an asset to our POA here in Lake Arrowhead. I have a BA Degree in Math from Huntingdon College in Montgomery and spent most of my career in high tech field with over 30 years at Amdahl and STK Corporations in consulting and professional services sales. I now work for **AT&T** as Account Manager.

I believe the board needs experience and expertise from all different disciplines. I know it is a thankless job and would require commitment. I believe communication is the key and I will do my best to be responsive to all. I would appreciate your consideration as your board member.
