My wife, Ramy, and I discovered Lake Arrowhead in 2015 and immediately fell in love with the area and community. Various corporate relocations have taken us all over the country including Seattle, Tampa, St Louis, and Atlanta but Lake Arrowhead has always been at the top of our list for our next home.

That dream became a reality this year and we couldn't be happier with our decision. Everyone has been warm and welcoming, and we look forward to getting more actively involved in the community.

I'm currently an NCR executive director with an extensive background in software development, project management, quality and customer satisfaction. I'm a Navy veteran and member of the Masonic fraternity and Shriners organization. My hobbies include travel, photography, and outdoor activities. I've also served as President, Vice President, and Website Administrator for the Peachtree Miata Club for the last 10 years.

I look forward to meeting more of my new neighbors and contributing my skills and experiences to help Lake Arrowhead maintain its beauty and amenities for all property owners.
